DODGE BROS. BUY HOUSES AT NILES

Detroit Realty Company Action Expected to Relieve Home Shortage.

Special to The News-Times.
NILES, Mich., Oct. 26.—Fifty houses in East Lake Terrace, a suburb of Niles, developed by Chicago speculators, which had been held exclusively for sale, have been taken over by the Dodge Bros. Realty Co. of Detroit, and will be offered for rent or sale on reasonable terms. This will measurably relieve the local housing shortage, which has recently become acute owing to the recent order of the M. C. R. R. Co. that all its employees working at the Niles terminal must reside in this city.

About 200 Masons, members of St. Joseph Valley lodge, No. 4, F. & A. M., attended the dedication of the new temple erected by the Masons of Vandavia.

CHOOSE SOUTH BEND FOR 1921 CONVENTION

MUNCIE, Ind., Oct. 26.—At the closing session of the annual state conference of charities and corrections held here last night, South Bend was chosen for the meeting place next October. It was announced that more than 1,000 persons had registered at the conference headquarters during the three days of the meeting.

DISCUSS SCOPE OF MISSIONARY BODIES

RICHMOND, Ind., Oct. 26.—The general development of missionary spirit in the Quaker church and the proper qualifications and training of foreign missionaries were discussed by the allied mission council of the Friends church here today. Representatives of the American Friends board of foreign missions, the Philadelphia, Pa., foreign mission board, and of the California foreign mission board, under whose auspices virtually all foreign mission work of the denomination in the United States is carried on, were present. Wallace E. Gill of Los Angeles, Cal., spoke on the selection and preparation of candidates for the missionary work abroad, emphasizing the necessity of calling men and women with the proper missionary spirit and of training them adequately for their work. The new opportunities offered for foreign mission work in the light of modern international relations was discussed by William B. Harvey of Philadelphia. Tonight the council listened to a paper on "The Development of Missionary Spirit" prepared by Miss Julia Cope Collins of Philadelphia.

LEAGUE OFFICIALS PREDICT VICTORY

RICHMOND, Ind., Oct. 26.—"Beer for medicinal purposes undoubtedly will be suppressed by a vote of two-to-one when a bill now pending on that subject comes before the senate," said S. Edgar Nicholson, secretary of the national Anti-Saloon League, here today. "It is well known in Washington that the bill which the House passed will go through the Senate without much trouble. Thus far a filibuster by two or three wet senators has kept the measure from coming to a vote."

"Secretary Mellon said Monday that regulations would be issued for prescribing beer and whiskey as medicines under the Palmer decision. Dry forces have understood that the issuance of these regulations would be withheld until the Senate had voted. It is the understanding among senators that the bill will be taken up after the tax bill now pending and be disposed of. This bill probably will be disposed of within a few days."

WILL HEAR DIVORCE PROCEEDINGS SOON

EVANSVILLE, Ind., Oct. 26.—The plea of Maud Murray for divorce from Justice B. Murray, who was acquitted by a jury last January, under the unwritten law, of the murder on October 20, 1920, of Howard Phillips, a former business partner at Newport, Ky., will begin in Vanderburgh circuit court Saturday, October 29. Murray shot Phillips in front of a rooming house in Newport when he came upon Phillips and Mrs. Murray about to enter a taxi-cab.

In her plea for divorce Mrs. Murray charges cruel and inhuman treatment and asks custody of their son, Justice Jr., aged 5.

PREDICT SUPPORT

ANDERSON, Ind., Oct. 26.—Word received from Indianapolis today that the Citizens' party would not be admissible to the ballot at the city election in November, created consternation in the ranks of the party here. Howard Homan is the Citizens' candidate for mayor. Among some politicians the opinion was expressed that the Citizens' party would lend its support to J. H. Mellett, democratic candidate, as a result of the decision of the attorney general.

HOOSIER SAILOR IS SLAIN BY SPANIARD

BEDFORD, Ind., Oct. 26.—James Lytton of this city has received a letter from Richard Geisse of New York announcing the tragic death of his youngest son, Milton N. Lytton, at Port-Au-Spain some time ago. Lytton enlisted in the United States navy when he was 14 years old, serving in the navy throughout the world war on the U. S. S. Dakota. He and Geisse were shipmates and after their discharge from the service they took employment on a Spanish vessel.

The vessel put in at Port-Au-Spain for a cargo of wine for Trinidad. The young men went ashore and in a cafe encountered a Spaniard, who began a fight with Geisse. In the wrangle young Lytton stepped between the two and was stabbed fatally by the Spaniard, giving his life for his friend.

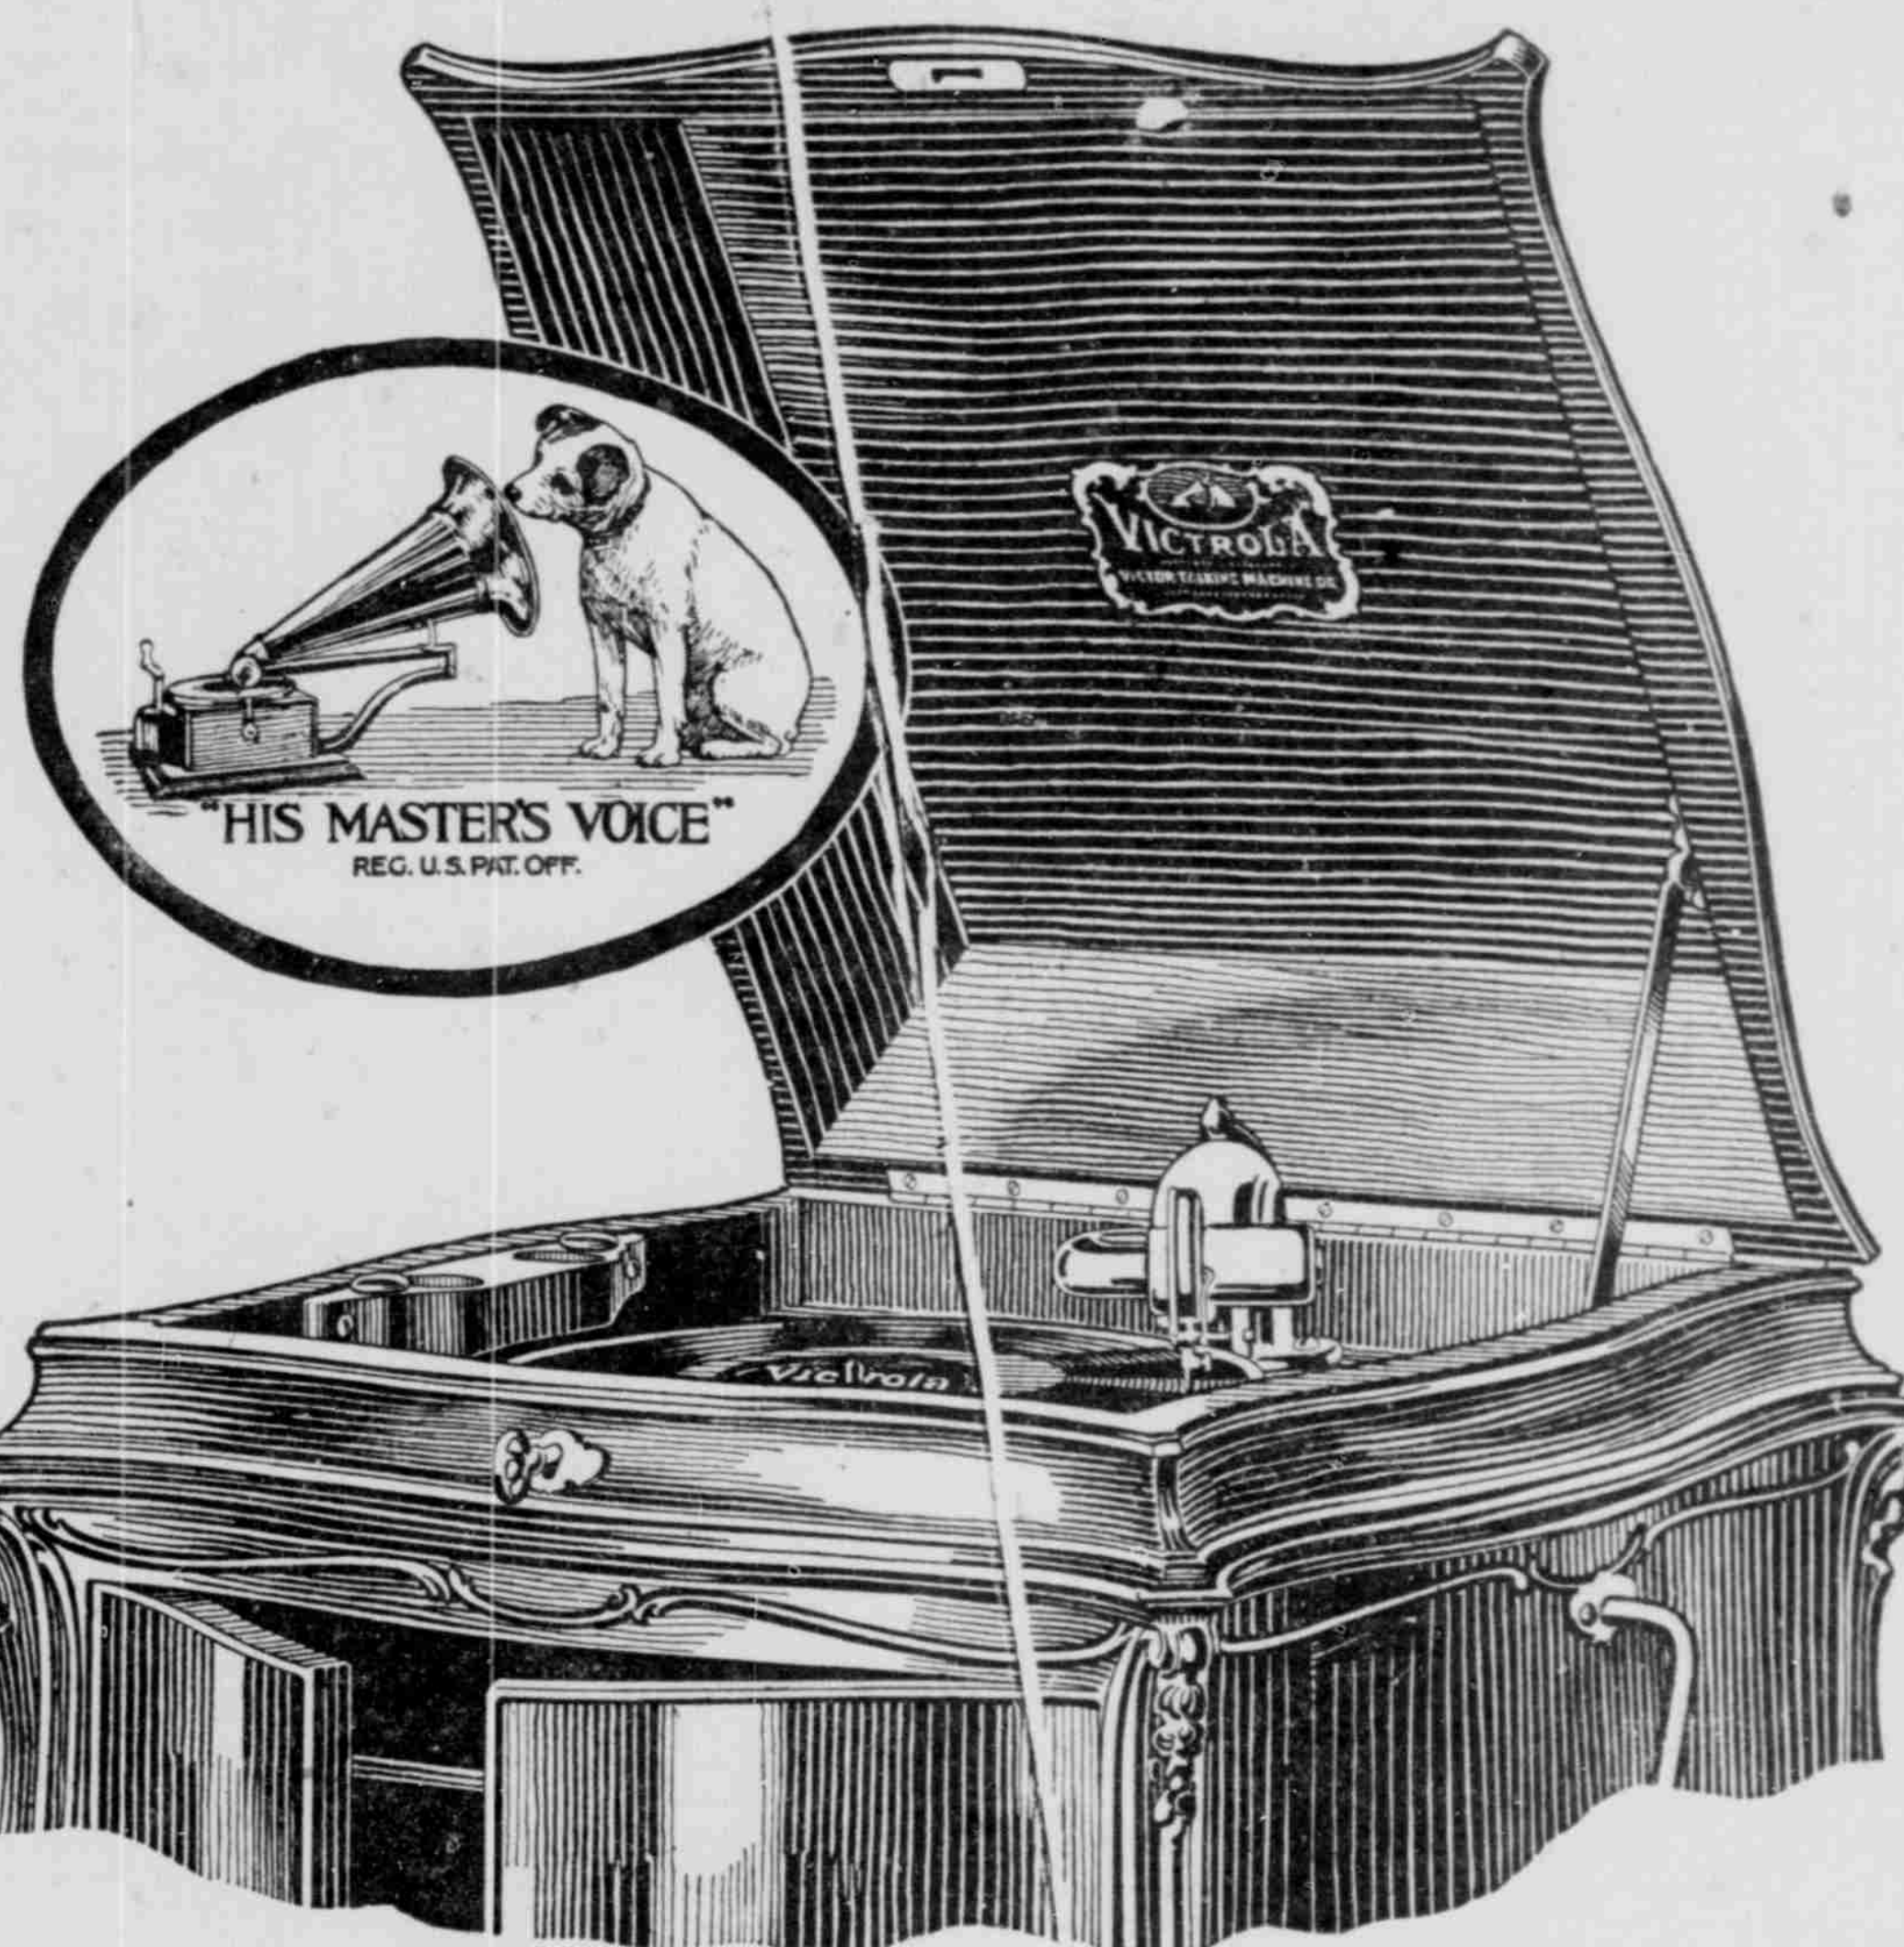

His funeral was in charge of American sailors, and he was buried in a little cemetery containing the bodies of Americans. Sgt. Lytton of Culver is a brother of the dead man, and he has written the authorities for further details and the possible return of the body to this city.
